

Ecolabel

The image shows the Energy label for the Lotus Jubilee 20. At the top left is the European Union flag. To its right, the word "ENERGY" is written in large letters, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this header, the text "Lotus Heating Systems A/S Jubilee 20" is displayed. The main part of the label features a vertical scale of energy efficiency classes from A++ (green) at the top to G (red) at the bottom. A black arrow points to the A+ class. Below the scale, there is a box containing an icon of a room with a heater and a power symbol, next to the text "4,0 kW". At the bottom, the word "ENERGY" is repeated in multiple languages: ENERGIJA, ENERGIJA, ENERGY, ENERGIE, ENERGI.

Product Fiche

Name or trademark	Lotus	Notes
Model identifier	Jubilee 20	
Energy efficiency class	A+	
Direct heat output	4,0 kW	· Meaning the space heat output according to the product standard · Rounded to the nearest one decimal place
Energy efficiency index (EEI)	109	· Rounded to the nearest integer ⚡
Energy efficiency at nominal heat output	81 %	· Efficiency at nominal heat output according to the product standard (rounded to the nearest one decimal place)
Specific precautions that shall be taken when assembling, installing or maintaining the local space heater.	Selected examples: <ul style="list-style-type: none"> · Fire protection and safety distances such as distances to combustible building materials must be observed! · An adequate supply of combustion air for the appliance must be guaranteed at all times. Air-suction systems can interfere with the combustion air supply!
